TEKNO-LEGNO GENERAL REGULATIONS 2011

1. Only Firms that have sent in regular Application Form and have effected all outstanding payments will be admitted to the Exposition.
2. Stands will be allocated by irrevocable decision of the Organization. Organizers will, as far as possible, endeavour to meet Expositors' requirements.
3. Stands will have to be occupied and outfitted within 02:00 p.m., September 22, 2011.
4. Expositors will use only fireproof components for stand outfitting according to present fire-prevention laws and will use electric-devices in accordance with CEI rules.
5. Expositors will assume civil and criminal liability in case of damages caused by non-observance and breach of the before said laws.
6. Stand must be cleared within 4 days after exhibition's end. After this term machinery will be moved to a reserved area and Expositors will pay the charges.
7. Machinery on display may operate without causing accidents, inconvenience, noise, emissions of gas and fluids that can damage or disturb nearby expositors or visitors.
8. During Exposition days the Organization will provide day and night security service but in case of theft or damages the Organization will incur no liability. During opening time and outfitting days, Expositors must watch over their stands.
9. If the Expositor, for proved and justifiable reasons, cannot participate to TEKNO-LEGNO EXHIBITION can withdraw by sending a letter to the Organization within 40 days before exhibition's opening. In this case the Expositor will pay the Organization: participation charge, 50% of the account and all charges for damages or dues for non-participation.
10. If the Exhibition, of circumstances beyond Organization's control, cannot take place the Organization's liability is limited to the reimbursement of the amount paid by the Expositor but only after the Organization has solved its financial obligations.
11. Vasto (CH) Court is competent for any contestation.
